

CREATE A MARBLE MAZE

God's love and care is present with us through whatever is happening in our lives- whether it is a calm and still time or dangerous and scary. Create a marble maze and as you do, wonder about how it feels knowing God is with you even when we're not sure where we're going.

Included in your kit:

- Marbles

You will need to find:

- a cardboard box (a shoebox is a good find!)
- thin-foldable card (like the cardboard of a cereal box)
- clear packing tape, scissors

Fold small pieces of card and tape a 'bottom' to the floor of the cardboard box and have the other part of the fold standing up as a 'wall.' Arrange the folded pieces of card to make a maze pathway for the marble to roll along. Write 'S' where the marble starts and 'E' where the maze ends.

Was there a time when life has felt confusing and you were not sure of where you were going? How did that feel? When did you feel the presence of God and Love during that difficult time?
