

Church Express Kit

I purchased a bunch of plain pizza boxes from our wholesale store but I think you could get them from any pizza place as well.

1. I photocopied the box label onto full sheet labels and stuck them on the front
2. I photocopied the instructions onto full sheet labels and stuck them on the inside cover
3. Care Cards
4. Worry Knot Cards
5. Family BINGO game
6. Flat Jesus (editable instructions on back)
7. Coronaviruszone (found it online)
8. Prayer Cards (I printed these on cardstock)
Prayer Card envelope template. I just copied this onto cardstock, cut and stapled the edges
9. Journal Labels. I purchased a bunch of journals at Dollarama
10. When You Feel Anxious Coloring set from Illustrated Ministries.

I also included a small box of pencil crayons and a little bag of chocolate eggs (Dollarama)

The main content was two items. Both of them I paid for so cannot share for copyright reasons. One was a family Bible study through Sparkhouse Online. One was a family worship resource also from Sparkhouse Online. The other was a set on compassion I purchased from Illustrated Ministries.
