

For each letter of the word Pentecost write or draw things or people who are a part of your Church family that start with that letter. For example, for the letter P you could name the awesome potluck lunches that happen after worship or those people whose names start with P. Once you have completed all of the letters string them together on the string provided. Consider hanging it in your window or somewhere visible in your home.

## **PENTECOST BANNER**

**Decorate your home for this special holiday!**
